

# 'CRAWLIN' THE HUME'

14th To 15th April 2018

Thank you for taking an interest in joining us on our trip, following the Old Hume Hwy from Campbellfield to Albury. We will be driving as much of the original Hume Highway 31 as we can along the way.

This run is for likeminded people from various commercial vehicle clubs and or individuals to enjoy taking their older trucks for a run. The plan is to recapture the past and try to relive the old days where the trucks were louder, slower, the roads were a lot rougher, and the men were a lot tougher.

Our aim with run is to enjoy driving our trucks in a relaxed atmosphere with no strict guidelines. You can leave and re-joining the group at any time, stay in Albury or head home, its up to you.

We purely want to run the old route in a leisurely manner, share a few photos, stories and maybe some BS. You will have to organise your own means and accommodation with the exception of the Saturday night dinner in Albury Racing Club at 6pm for those who choose to attend.

We will be visiting to old forgotten towns that were bypassed a long time ago. As the highway from Campbellfield to Benalla was the first part of the freeway to get done.

**NOTE:** All entrants will be required to meet on Saturday 14th outside the Ford Factory in Sydney Road, Service road Campbellfield from 6am. We will be at the northern end (The Australian Mint) end of the service road.

**Entrants are asked to enter via Barry Road, making sure you keep all the side roads and driveways clear at all times.**

Look for the Haulin The Hume trailer. You will need to come to the trailer to receive your entry bag which will contain your itinerary and directions to allow you to find your way along the old Hume, as well as your meal pass for those who are attending the dinner if they have not already received them.

**IMPORTANT NOTE:** Please do not camp outside the Ford Factory the night prior, as this is the service road and Ford need full access.

Please note that ALL trucks must be entered but if you come in a car no matter what age entry wont be required. Entry is only required for Trucks driven on the run so any tow vehicles don't need to be entered. We have a cut off of 25 years or OLDER so anyone wanting to bring their *late model truck* with a set of trailers will not be encouraged to join us.

**THIS RUN IS ONLY OPEN TO OLDER VEHICLES.**

Special THANK YOU to Winton Raceway for their support.

Winton Raceway will be our lunch break allowing us to use their facilities. They will also have their catering kiosks open for us to purchase our lunch there.

**Trucks will enter via the side road (it will be signed) and cars are to proceed to the next entry (also signed)**

We can sit back and have a break or a walk around and see all the other trucks, catch up with some old friends and tell some stories.

NOTE: There will be some car racing on during the time we are Winton as its also V8 Drive Day.

After Winton Raceway we will follow the Old Hume Highway to Wodonga and Albury.  
We hope you have a great time reliving old memories.
